"Music is one of the ways we make sense of our lives, one of the ways in which we express feelings when we have no words, a way for us to understand things with our hearts when we cannot with our minds."

THE CROSS
(words by Joseph M. Martin)

The cross of Christ is a pillar of truth to guide me.

The cross of Christ is a shield to overshadow me.

The cross of Christ is a tower of strength to protect me.

The cross of Christ goes before and behind me.

The cross of Christ is above and beneath me.

The cross of Christ is on my left and on my right.

The cross of Christ is within and about me.

How wonderful the cross of Christ!

It brings life, not death, light, not darkness.

**It is the wood on which the Lord, like a great Warrior,
was wounded and died for the sin of the world.**

A tree had destroyed us; a tree now brings us life.

THE CROSS OF CHRIST IS ALL IN ALL TO ME!
